Accessing the Online Textbook

Purpose: Provide instructions on how to access the online textbook for science.

Guiding Questions: None.

IMPORTANT

Never click on the submit assignment button in the online textbook system. This will prevent you from accessing the online textbook.

Accessing the textbook on a laptop or desktop computer

1. Visit ilearn.carolinascienceonline.com (or visit 7bscience.com and click on Online Textbook at the top of the page).
2. Click on "Login"
3. Login using your school username* and password.
4. You will see a list of assignments, one is called IBI Textbook. Click "Start."**
5. After the new page loads, under content click 'IBI Student'
6. After the new page loads, under table of contents click 'STC Investigating Biodiversity and Interdependence Student Guide'
7. This will load the textbook for you.

* Your username is your school username without the [@wps39.org](http://wps39.org). For example, my username would be owerpeter.
**You should have access to 4 textbooks/assignments.

Accessing the textbook on an iPad

1. Open Puffin Academy on your iPad.
2. Search for "Carolina Science Online" and click on the result.
3. Click on "Go" when the page loads.
4. Click on "Student Login" in the upper right corner of the page.
5. Follow steps 2-7 above.
